## SUBSCRIPTIONS AND CLUB FEES

**For most new members there are three separate fees involved in joining the Club, as follows:-**

The DMFC Annual Membership Subscription is reviewed each year at the Annual General Meeting and is set at £90 for 2019. The Annual Subscription Year is the calendar year, January 1<sup>st</sup> to December 31<sup>st</sup>. The Annual Membership Subscription is used to pay our rent for the flying site and to maintain and enhance our on-site facilities and equipment, and other incidental operating costs and expenses etc. For new members joining on or after 1<sup>st</sup> July, the Subscription for the remainder of their first year is reduced to £50 and if joining on or after 1<sup>st</sup> October the Subscription for the remainder of their first year is £25.

A Joining Fee. In order to acquire and establish our current site and its facilities, very considerable initial expenditure was involved and this was largely funded from previous years subscriptions plus generous donations to the club from all our members. Of course all new members immediately benefit from this investment and the generosity of existing and previous members, and it is only fitting that this is recognised by a levy of an initial Joining Fee as an acknowledgement of this and a contribution towards rebuilding Club finances for the future. The Joining Fee is therefore an initial single levy in addition to the Annual Subscription. The Joining Fee for 2019 is £35.

Since Third Party Insurance is an absolute requirement for all DMFC Members, it is necessary for them to become members of the [Scottish Aeromodellers Association](#). The annual subscription to the SAA is £29 in 2019. The SAA Subscription is normally paid to DMFC along with the DMFC Annual Membership Subscription.

### **Visitors and Guest Flyers**

Visitors, including guests of current members, who fulfil the above criteria and who wish to fly at our club site may attend on up to four occasions per year, after which they must apply for Club Membership. It should be understood that the provision and maintenance of a superb flying site such as ours is a considerable on-going expense to our small Club, and donations to the Club by visitors enjoying our facilities are gratefully received. All guests and visitors to our flying field are subject to our Club Rules, but please note that visitors are not permitted to fly alone at our site if no Club members are present.

The Club reserves the right to refuse access to our site to any person at any time without explanation, and Club Officers have the right to exercise such a ban without prior notice.
